

10 STEPS TOWARD YOUR NDIS SUCCESS

Your journey to independence with VisAbility

1. Speak with us.

We want to get to know you, learn about your hopes and dreams and discuss our services.

6. Tell us what you need.

We arrange an assessment of your needs by one (or more) of our highly skilled allied health professionals.

2. Start your journey to independence.

We stay in touch while you gather information and advice on how we can support you.

7. Let's get things moving.

Work with us to prioritise services and appointments, depending on your goals.

3. You're prepared.

Attend your planning meeting. Speak to your planner about the provider you've chosen, and which services you'd like to receive.

8. Track your progress.

We stay in touch, and review your services regularly to ensure you're on track to reach your goals.

4. We support you through the planning process.

We communicate with Coordinators or Planners to ensure you get the right services in your plan.

9. Keep working toward your goals.

Continue receiving services on your journey to independence.

5. Your NDIS plan is ready.

What next? Contact us to get started!

10. Be proud of what you've achieved.

Congratulations! It's time for your 12-month NDIS review meeting.
